Re: Proposed Fort Mitchell Map Amendment – The Pinnacle

Dear Members of the Kenton County Planning Commission:

On behalf of the City of Fort Mitchell, I am writing regarding the proposed Fort Mitchell map amendment identified on the Commission's October 1, 2026 agenda in connection with The Pinnacle development.

The City has no objection to the proposed map amendment. Given the residential development already underway directly behind the parcel, incorporating this property into the Planned Unit Development zone is consistent with the development pattern established for The Pinnacle and represents a logical continuation of the project.

Sincerely,

Edwin King
City Administrator
